Very highly qualified and respected faculty with academic and business credentials that enliven the classroom experience. The faculty members bring their real world business experience into their classrooms and take pride in the mentoring of relationships they develop with students.

### Modern, High-Tech Facilities

TMU-FNRMS is committed to providing students with outstanding facilities and the latest technology available.

### Wireless Technology/Database Access

Students have access to both on campus and online libraries and are able to use any wireless card to connect to TMU’s wireless network for high speed access to technology resources and the Internet. Included in TMU’s resources is online access to state of the art research databases.

### Media and Technology Center/Computer

TMU’s high-tech center has the latest learning tools and computers. Instructional Technology-Equipped Classrooms (ITECs) in the center offer powerful multimedia classrooms, communication and science labs, and a state of the art Learning Assistance Center.

## Cultural Events & Sightseeing

The city of Noor has a wide variety of sightseeing spots of historical and cultural interest. Favorite locations include The Sivasareh Waterfall in Baladeh, Pizan Khani Cave in Kojoor, Baladeh Mountainous Vallies, Forest Parks of Noor and Sissangan, Baladeh Castle, and The house of 'Nima Youshij' (the Father of modern Persian poetry), to name a few. Most of these are nearby or easy to reach.

## There is No Place Quite Like Noor

Want to study in one of the most beautiful places on Earth? Majestic mountain ranges, white sandy beaches, and the brilliant blue Caspian Sea serve as the backdrop for this paradise in the Middle East. Noor is not only rich in natural beauty, but offers a unique Iranian culture and friendly spirit that is embodied by its

## Active Student Environment

Outside the classroom, students can participate in more different clubs and organizations.

## TARBIAT MODARES UNIVERSITY and Faculty of Natural Resources

### Reputation: Outstanding

Tarbiat Modares University is the first and only graduate university in the Islamic Republic of Iran. TMU is consistently ranked among the best educational institutions in the nation.

### Location: Stunning

Strategically located in the center of the Caspian Sea coasts with the most beautiful natural landscapes. TMU provides an Iranian education in an international setting. Cosmopolitan, and culturally vibrant, Noor is famous for its clean air.

### Academic: Comprehensive

As a postgraduate university, TMU offers Master's degree in 129

### Campus: Distinctive

The International campus has its main campus in a beautiful quiet area including two sectors of coastal and about 74 ha of forest area beside the Caspian Sea in the beach city of Noor, Mazandaran Province, Iran. Landmarks such as the 4000-hectare Noor Forest Park as the biggest forest park in the Middle East is only a few minutes' walk away, while beautiful modern Shopping Centers and the City Center are a few stops away by taxi.

### Student Body: Incredible

More than 200 MSc and 250 PhD students from different parts of Iran make FNRMS-TMU one of the most

## Health and Safety: Excellent

Noor is famous for its clean air and tourism industry. Furthermore, at TMU. I we take special care in assuring that our buildings and campuses are safe and comfortable for your successful education.

## Accessibility: Fully Accessible

The FNRMS-TMU can be accessed via regular hourly buses and private taxis from Tehran. It can be also accessed through Noushahr Airport located just 40 km away.

## Teaching and Learning: Excellent

TMU attracts some of the best students in Iran. With this privilege comes a responsibility to provide the highest quality learning and teaching. We strive constantly for excellence in intellectual inquiry, academic freedom and integrity, and ethical practice in academic endeavors. At the heart of all of this is an exciting and stimulating student-centered learning and teaching environment.
